Monica & Julian

bed & **BREAKFAST**

Even Big-Time Porno Stars
Like To Get Away Now And
Then For R&R (Reaming
& Rimjobs) And B&B
(Blowjobs & Banging).

You'd think that when adult movie stars like Monica Sweetheart and Julian take some time off from the daily grind of fucking 'n' sucking on video, the last thing they'd want to do was check into a romantic Victorian bed & breakfast by the sea and then spend a weekend cooped up in a bedroom, fucking and sucking some more. But just because they have sex with strangers for a living doesn't mean they don't look forward to a love tryst now and then.

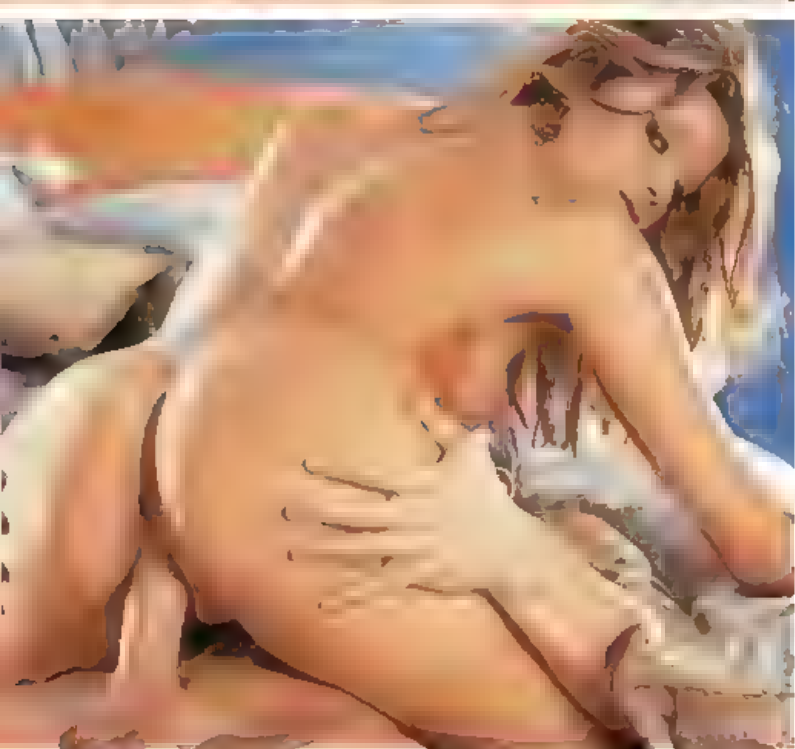

Despite the rustic quiet of the Central California coast and the charm of the old Victorian home, Monica has no plans to read a good book or spend an afternoon sipping tea on the veranda. Working or playing, the one thing she always needs to *really* relax is a big cock to suck on...for hours on end. And Julian's just the guy who can supply the big cock and the hours-long staying power. And finally, when she needs an emotional release, he can fuck her for another hour or so.

The best part of her weekend getaways, says Monica Sweetheart, is having the luxury of lying in bed, sucking on a cock for long stretches, and occasionally dozing off with it in her mouth. It's also a relaxing pastime for Julian, who sometimes falls asleep, too, while she's going down on him. But Julian must be careful, because now and then, whenever he dozes off, he'll dream about having sex with a beautiful woman—like Monica, or Jessica Simpson, or Penelope Cruz—and suddenly he'll wake up as he's shooting cum down her throat. But don't worry. Monica is not complaining. That's her idea of an idea vacation!

Michelle, Scott & Mr Pete

DOUBLE BANGED BITCH

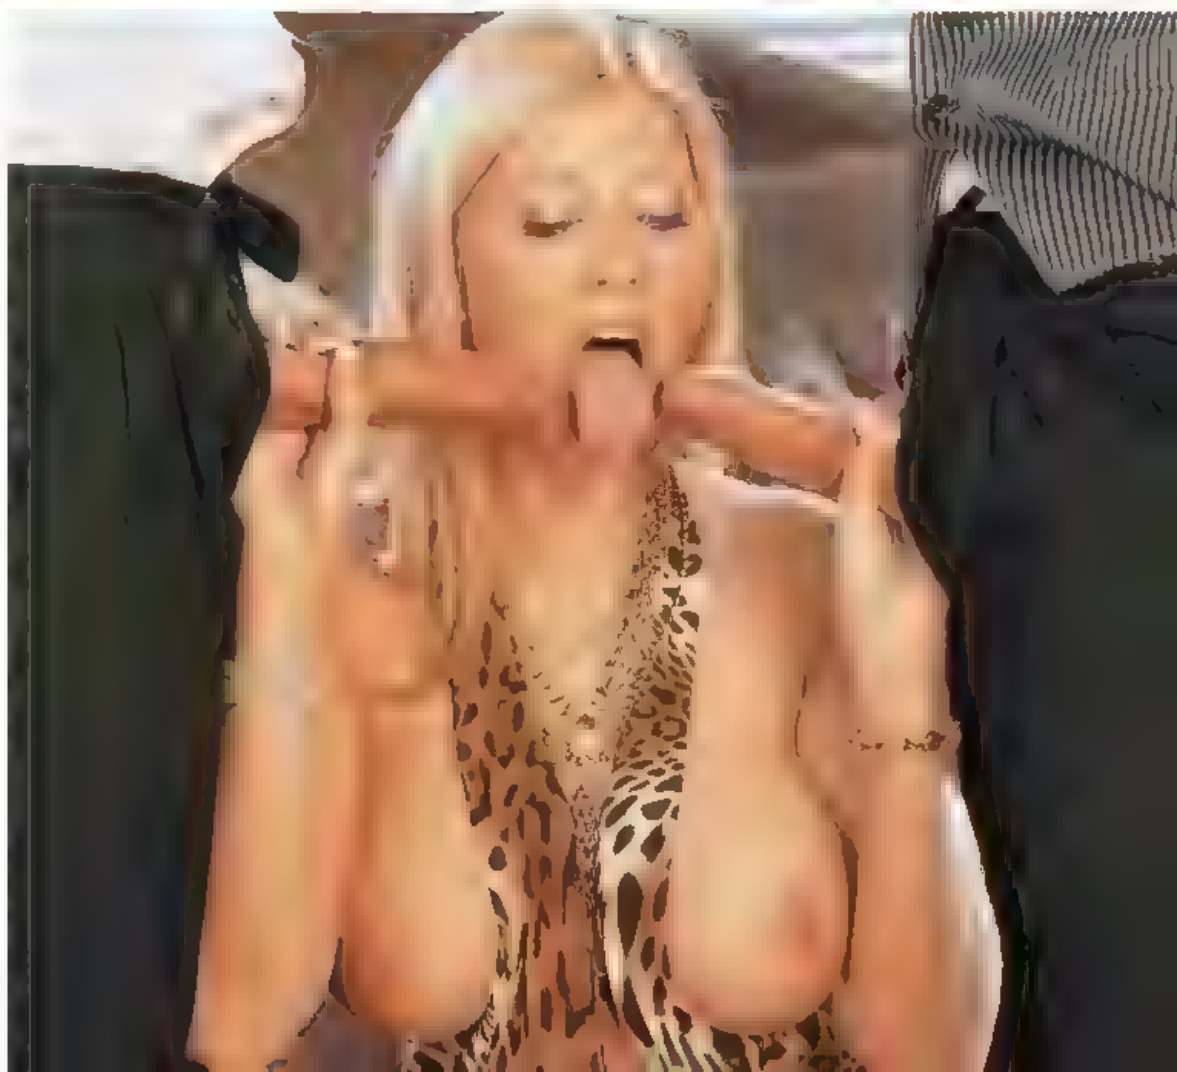

A major adult star @k Michelle B. needs to maintain a glamorous lifestyle, not only for herself but for her fans. And part of that fancy lifestyle, which she learned from Mae West, is to always have a few handsome valets attending to her every need!

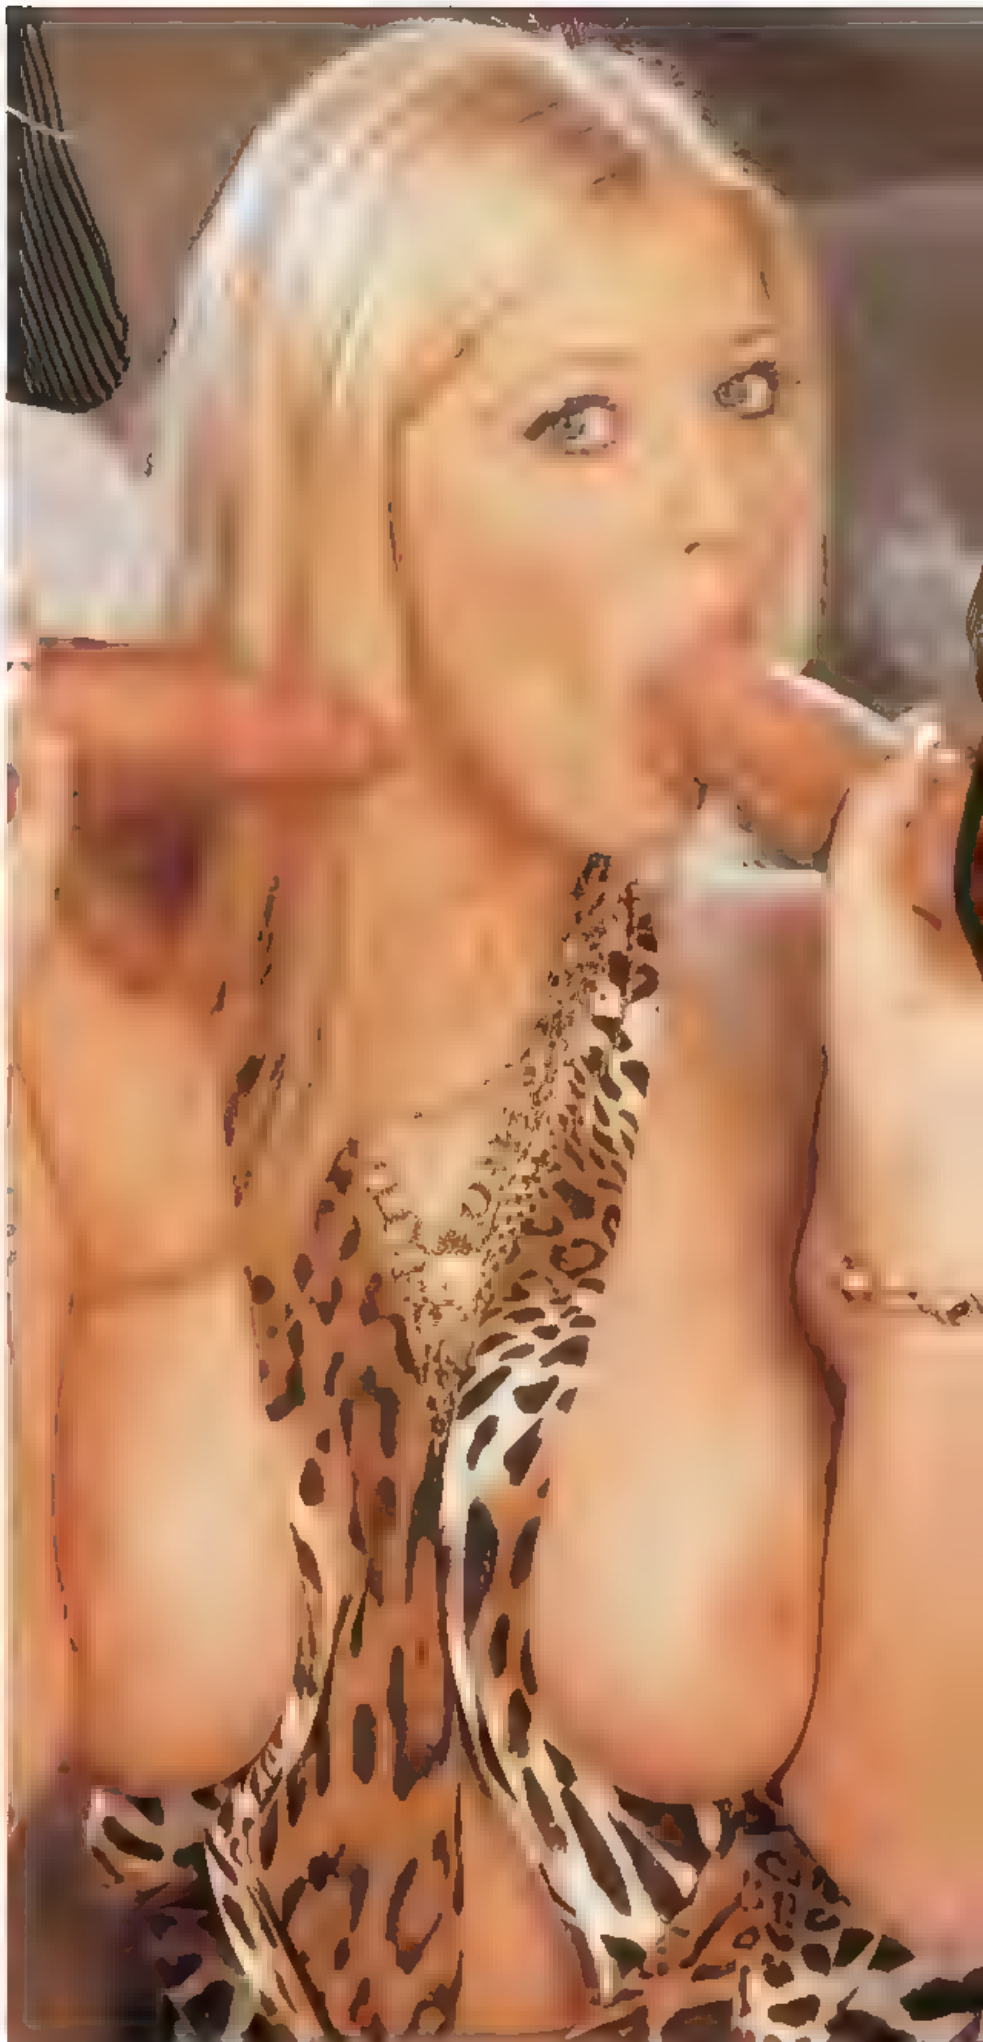

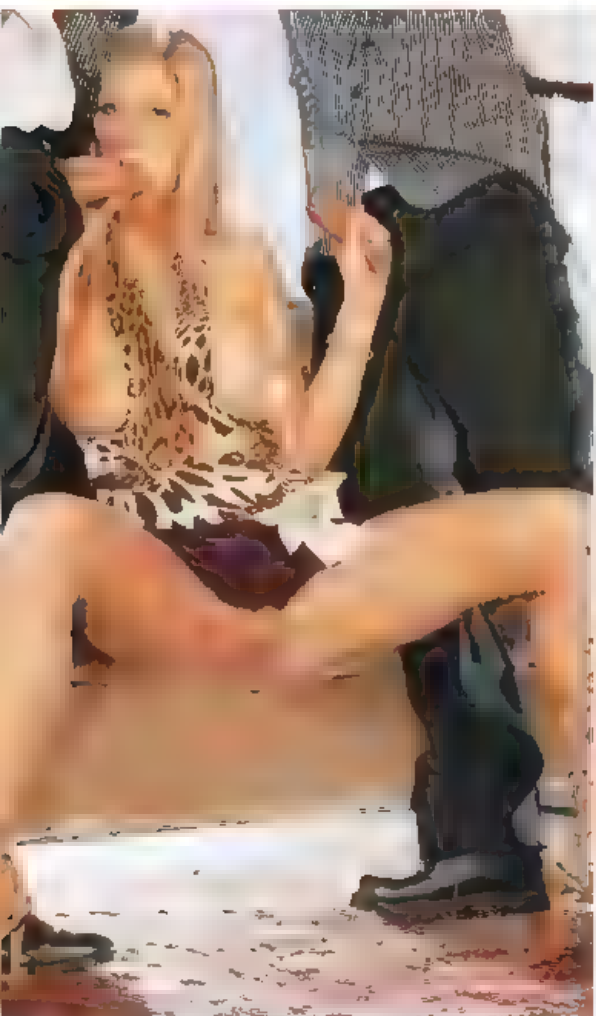

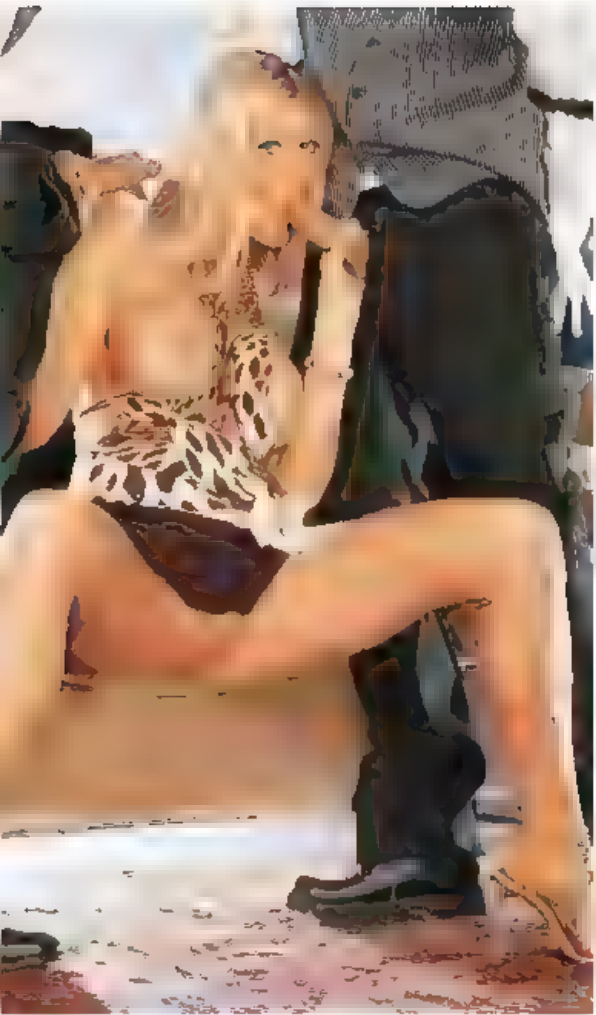

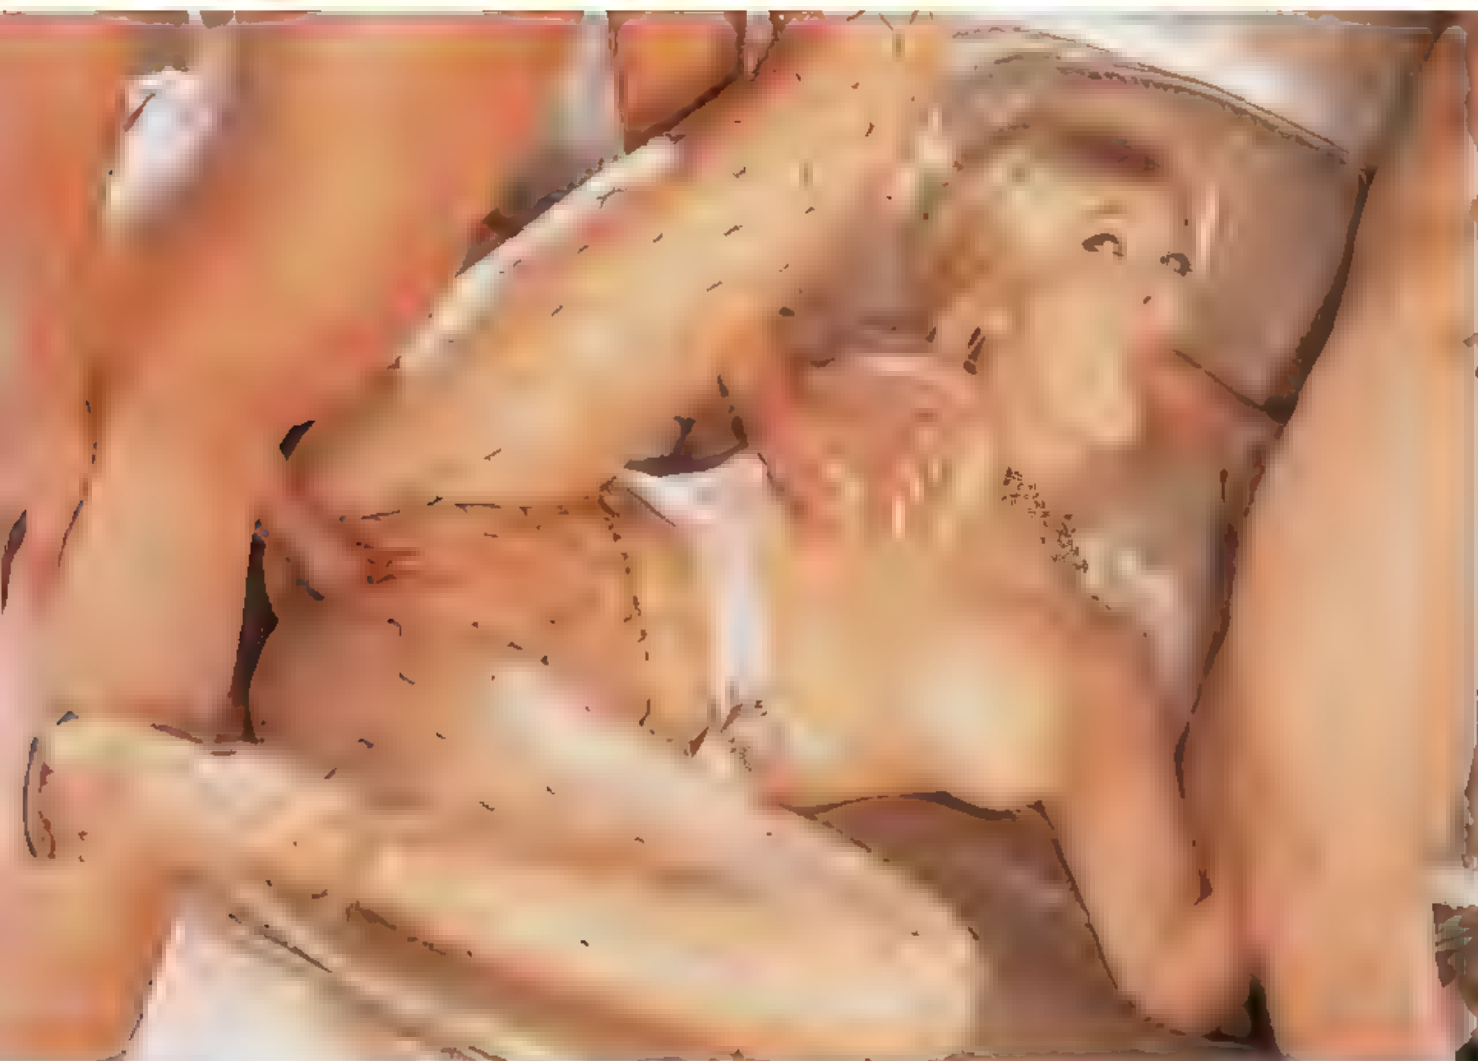

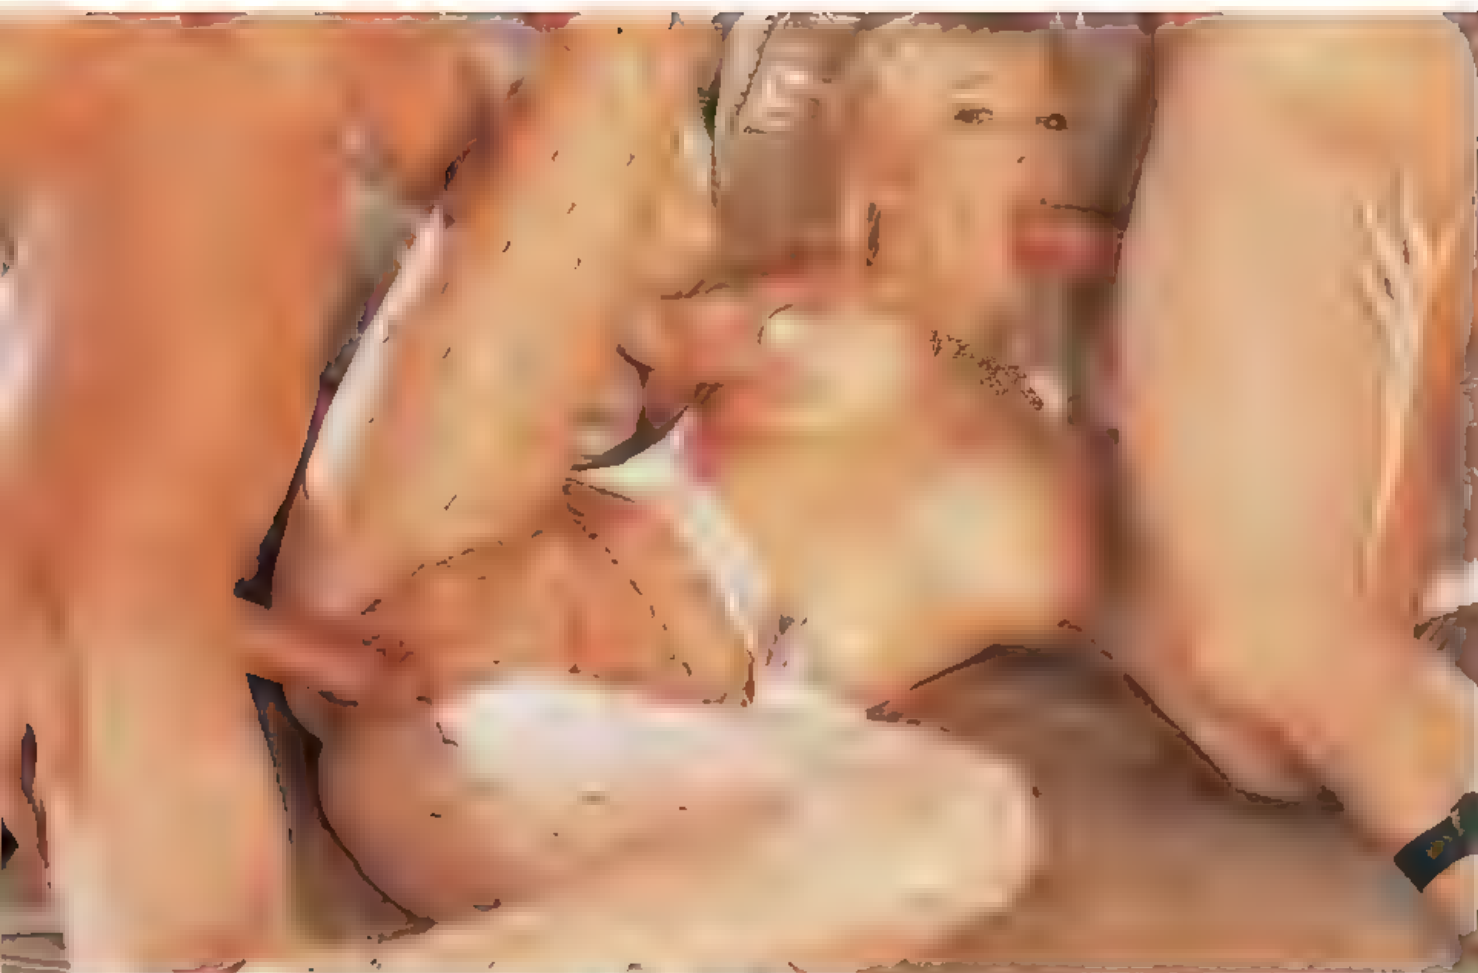

It's not that hard for a porn star like Michele to maintain a full-time staff. Her valets, Scott Nails and Mr. Pete, are more than willing to work cheap, simply because the perks make up for the low pay. Sure, she can be demanding. She can be mercurial. She can be a real bitch most of the time. But she's also constantly horny, and when the urge hits her, she wants hard cocks pumping her pussy, stuffing her mouth, and squirting hot creme all over her face. It takes patience to put up with a diva like Michelle, but these guys are more than up to the task!

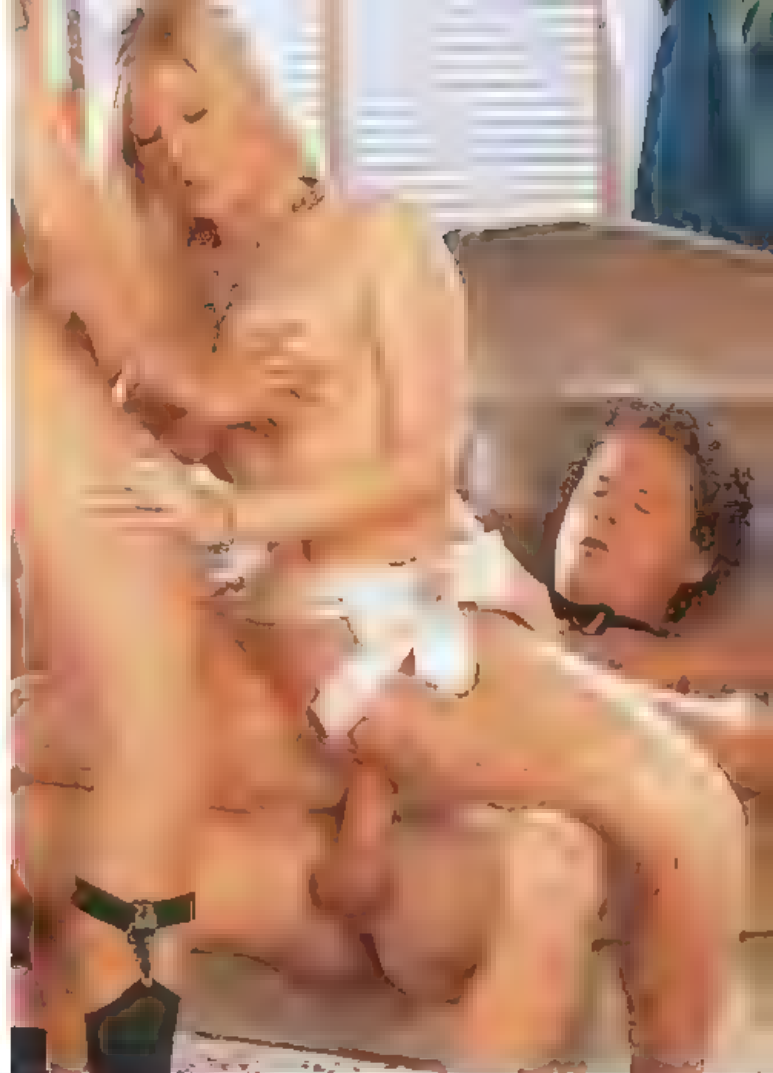

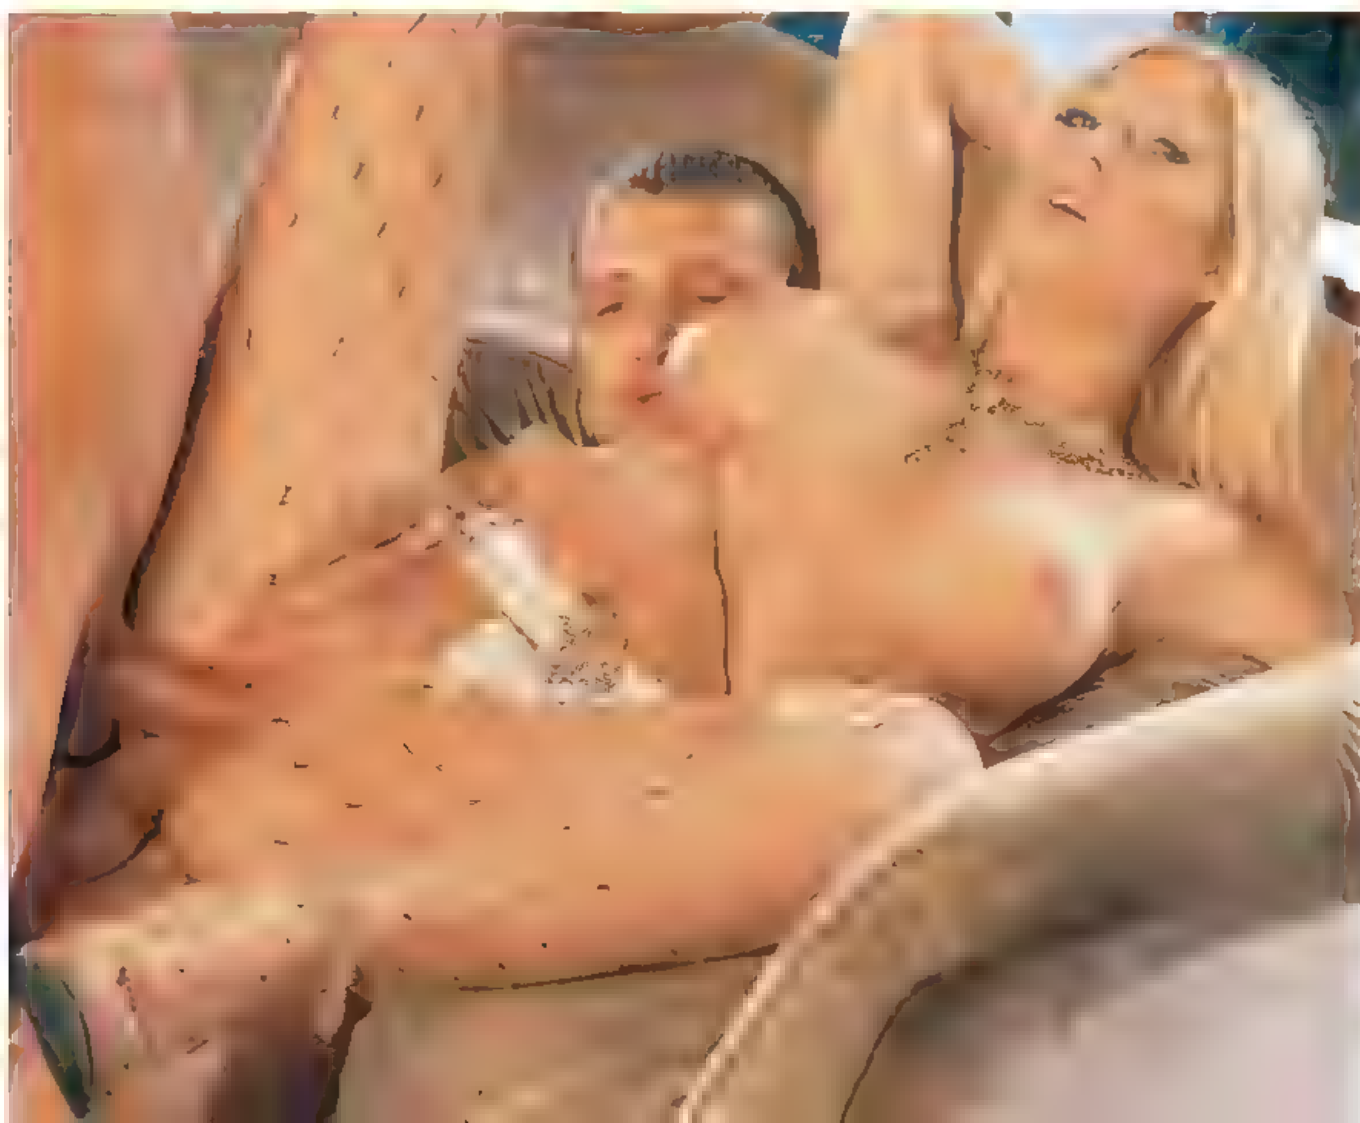

Scott and Pete know that they can't be soft toward the r snooty bitchy mistress. When she's ready for sex, she doesn't want flowers and romance. She wants her two stalwart valets to plunder, pillage and ravish her. She wants them to grab her head and fuck her throat. She craves a good cunt-pounding that lasts for ten or twenty minutes at a time. And of course she needs to feel a throbbing cock deep inside her asshole. It helps if two of these things are going on at the same time, because Michelle B is insatiable. She wants it hot, she wants it hard, and she wants it front and back simultaneously!

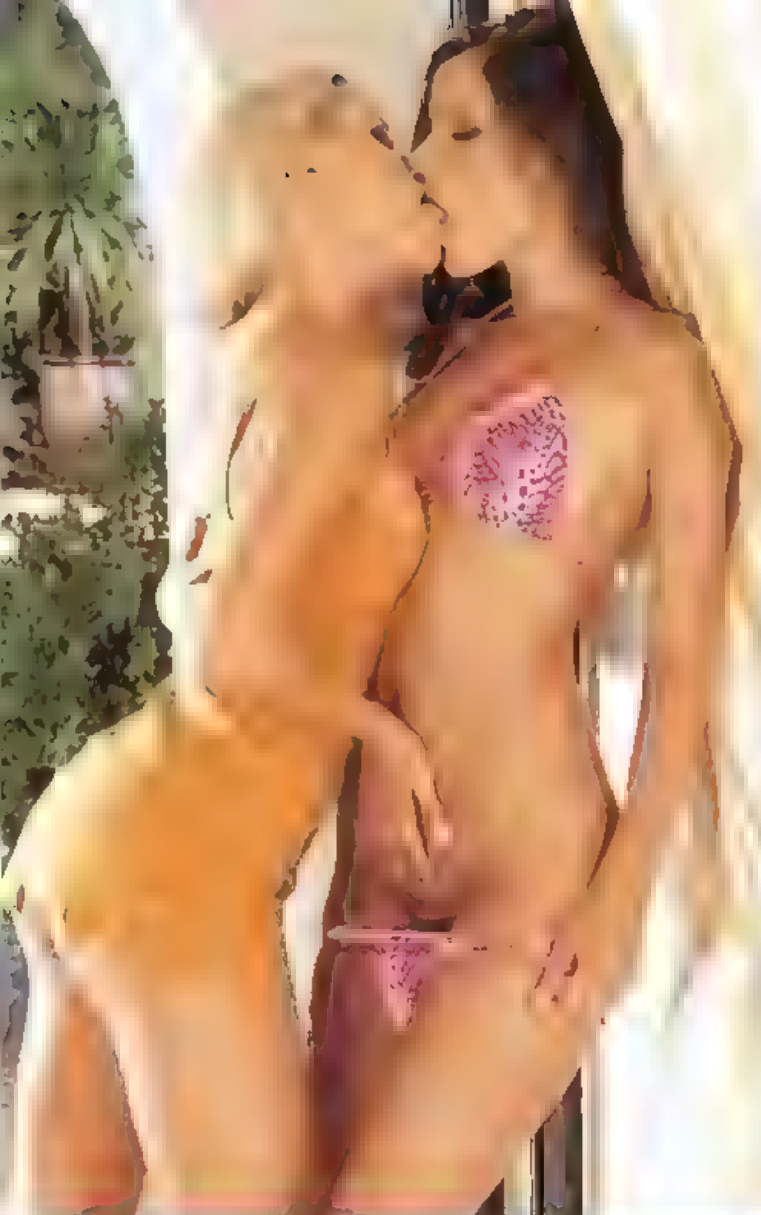

Most women make due with only one valet at a time, but that's hardly enough for Michele. The way she sees it, if one big, hard cock is great, then two such cocks are necessary to keep her fully happy. One cock in her mouth and another cock in her pussy is wonderful. A cock in her mouth and another cock in her ass is fantastic. But one cock pounding her pussy while a second cock is pumping her asshole, well, Michele B. hasn't found a word yet that describes such an ecstatic and heavenly sensation. She's just happy that she's found full-time valets capable of doing the job!

— Daisy, Cindy & Dale —

PAMPERED PRICK

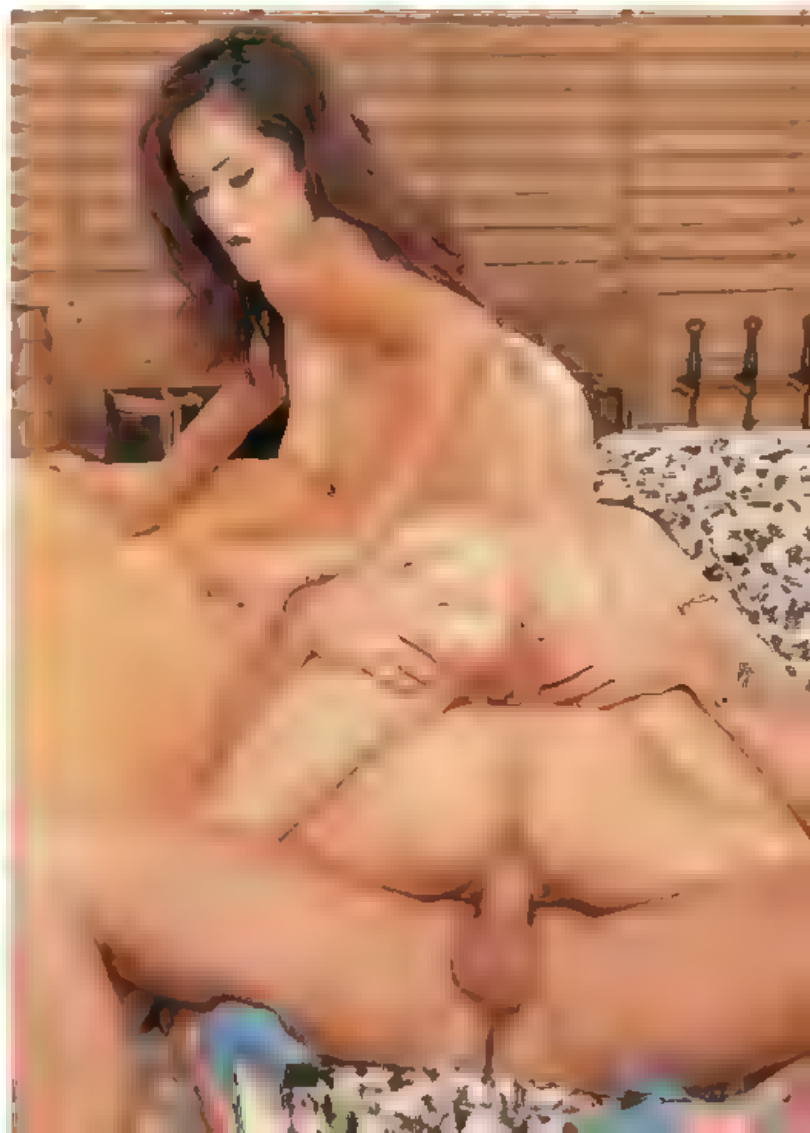

These Women Know That Teamwork And
Hard Work Can Make A Man

X-rated stars Cindy Crawford and Daisy Fuentes could teach regular women a thing or two about sex. For one, they know that when it comes to men, cooperation can often be more rewarding than competition. Two screaming, scheming, angry women fighting over the same man will usually turn him off. But if they decide to share him together—and share each other while they're at it—everybody wins. These girls could teach world leaders a thing or two about getting along.

Sure there are some guys out there who like to have women fighting over them but Dave isn't one of them. He can appreciate the philosophy of cooperation. He knows that if Daisy and Cindy are at each other's throat, they're not giving him any pleasure. But if they're working as one to make him happy, well, he will certainly be happy. What guy wouldn't be happy if he looked down at his cock and saw these two faces pleasing him with their tongues and lips as their eyes gazed up at him in worshipful wonder?

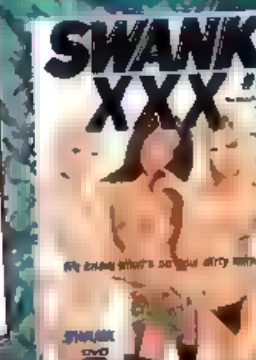

Daisy and Cindy are so determined to pamper Dave together that they can't help but rub against each other while they suck his cock and balls, and that only makes them hotter. It doesn't take them long to start pleasing each other even while they're pleasing Dave. After all, if one girl has his cock buried in her throat, what's the other girl supposed to do in the meantime, twiddle her thumbs or diddle her pass pussy?

Shelby Bell's Got A Special Boilermaker For Our Boy Anthony Hardwood, And Wow Are His Balls Boiling!

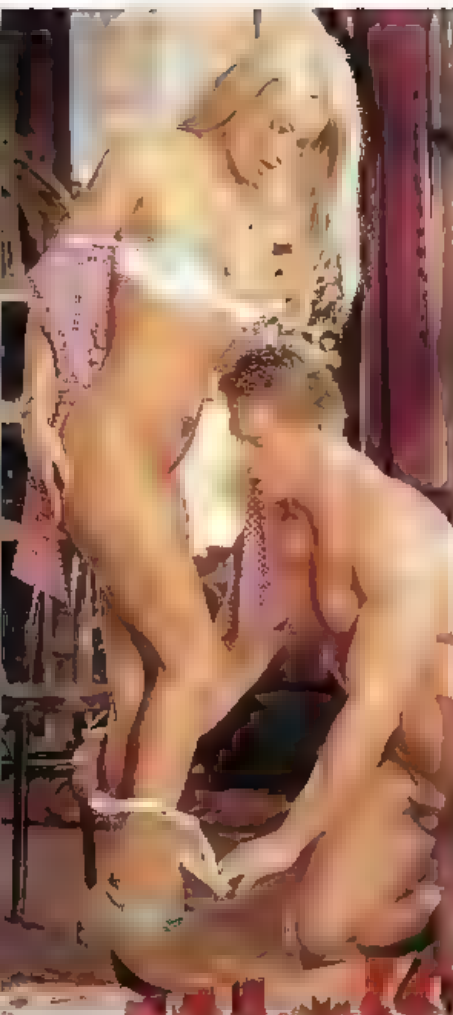

THE COOZE CANTINA

Anthony is like any other red blooded American customer hanging out at the local Hooters-wannabe restaurant bar. He sits there drinking beers and whiskey shots almost as fast as the pretty blonde waitress brings them, and with each new set-up his imagination runs a little wider. When she first came over to his table and said "Hi, I'm Shelby, and I'm your server" he thought, *This chick wouldn't even look twice at me if I wasn't a paying customer.* But now, after three boiler-makers, he's mentally undressing her—tugging off her cowgirl shirt and yanking down her cut-off jeans—and thinking to himself, *Hey, this little slut is really digging me. I bet I can get in her panties.*

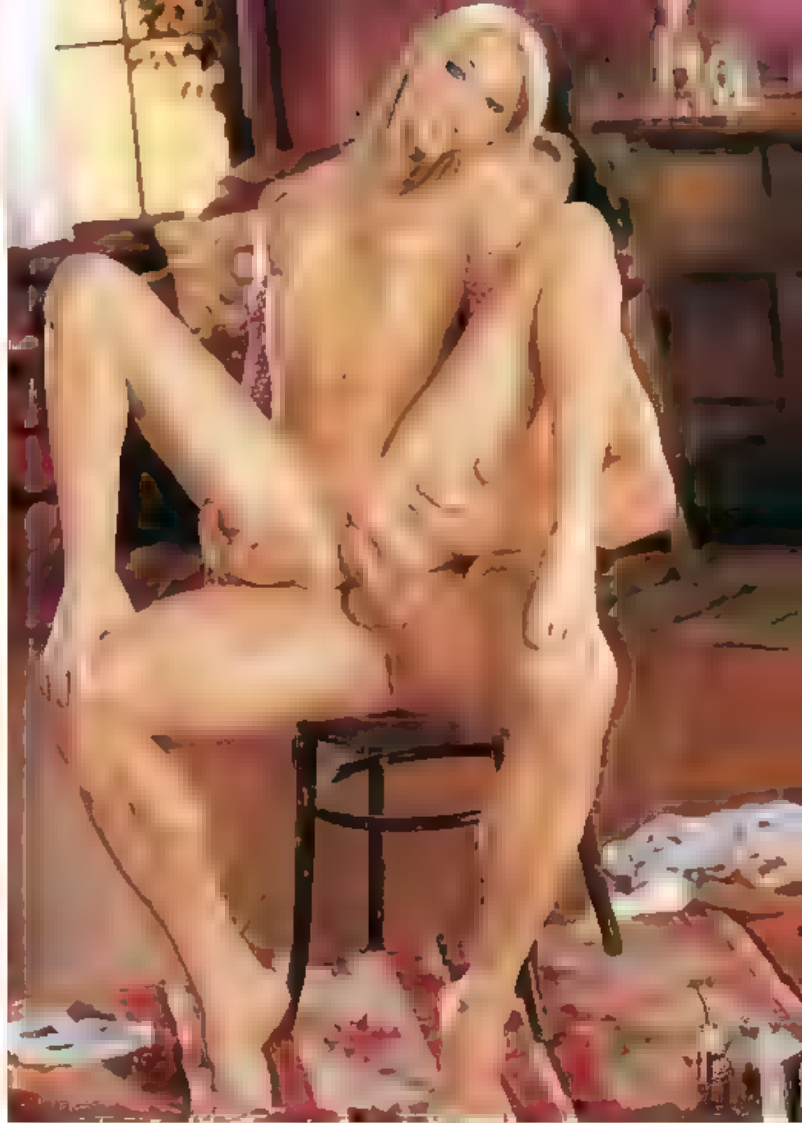

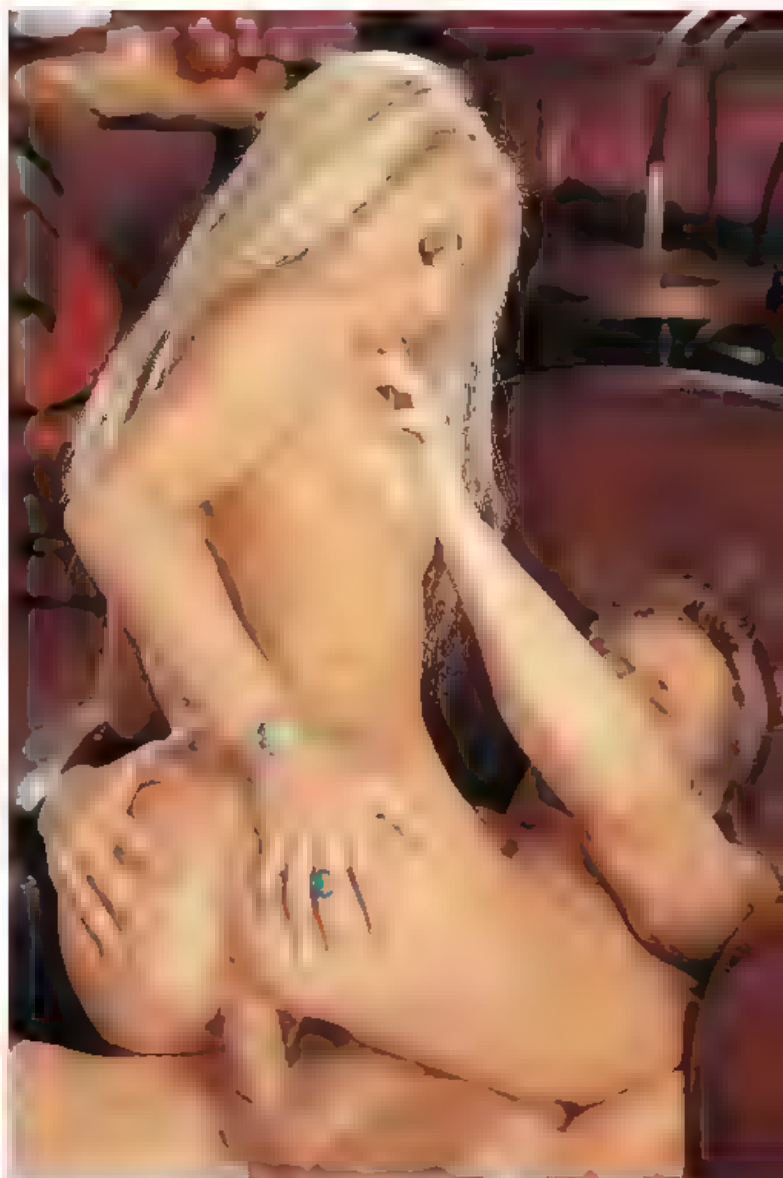

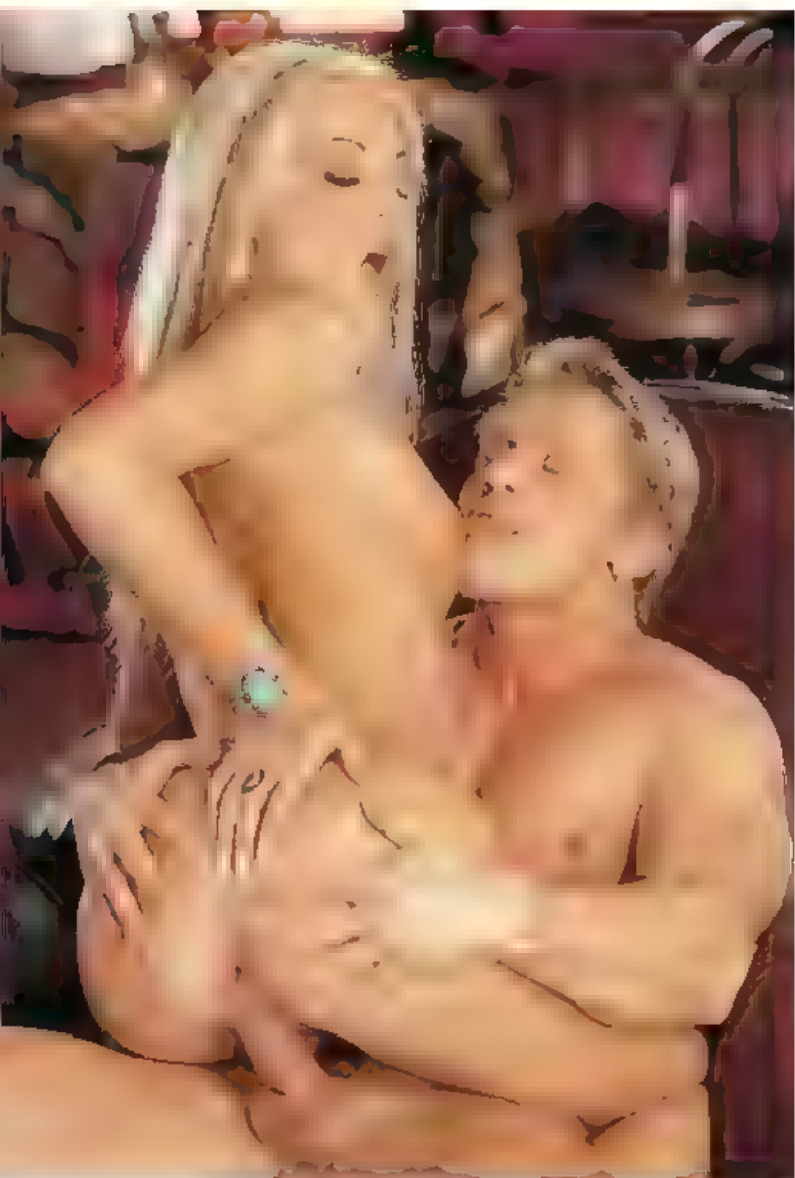

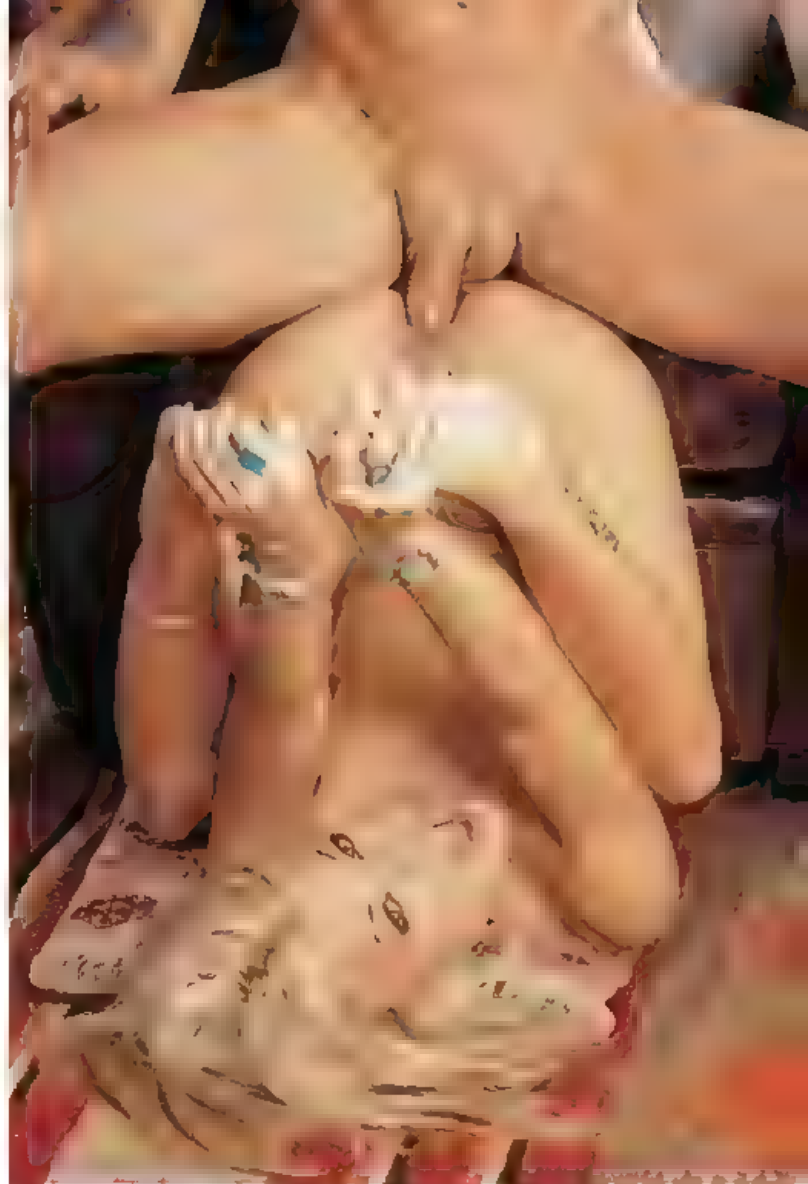

Anthony's just buzzed enough to get a raging hard-on as he watches lovely Shelby returning with another round of beer and whiskey. He can tell she's really getting not for him too, by the way she's smiling at him. *This chick probably has a pencil-dick boyfriend who's not fucking her the way she wants to be fucked*, he tells himself. Sure enough when he lays his hand on hers as she sets down his drinks, she gives him a hungry look that says, "I need you to fuck me—right now!" Well, the joint is empty, and the bartender is in the other room, so why not?

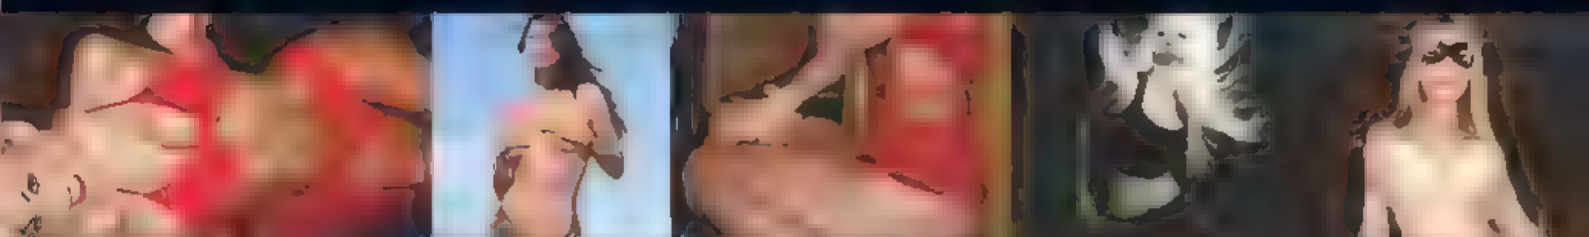

Shelby opens her legs, begging him to fuck her hard and deep. Nothing else will cool the heat between her thighs. But no sooner does he start fucking her than she wants to feel him in her mouth. Sliding off the table to her knees, Shelby wraps her lips around his cock and begins to suck. Anthony can't believe the wonderful wetness. It's hot, no, it's cold as hell. Glancing up, he sees his waitress looking down into his face as she pours beer into his lap. "You okay, buddy?" she asks. "Well," he says, "I was until a second ago!"

Jerry & Dillan

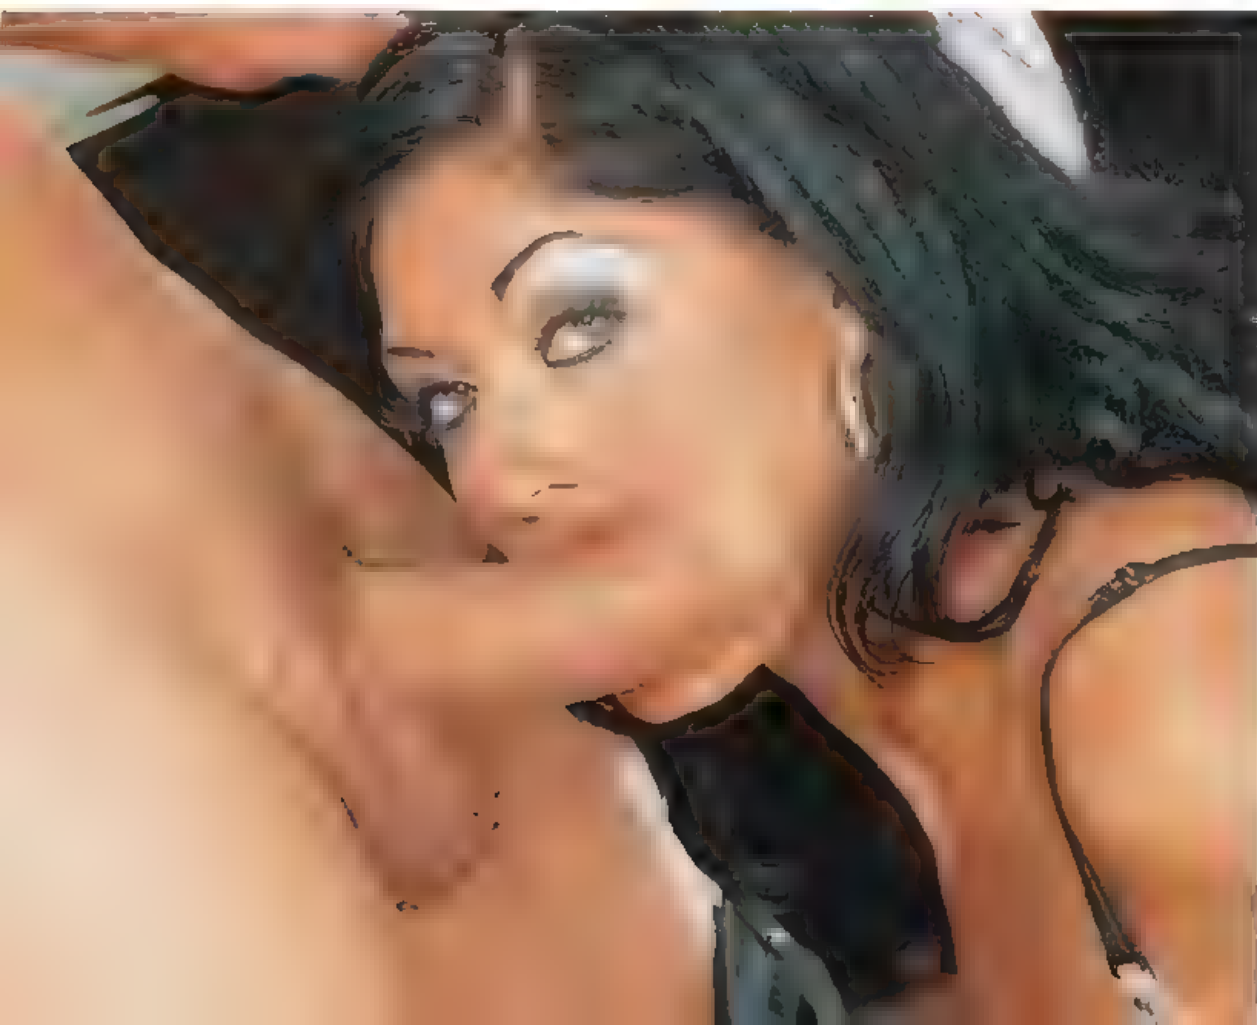

CLASSICAL GASH

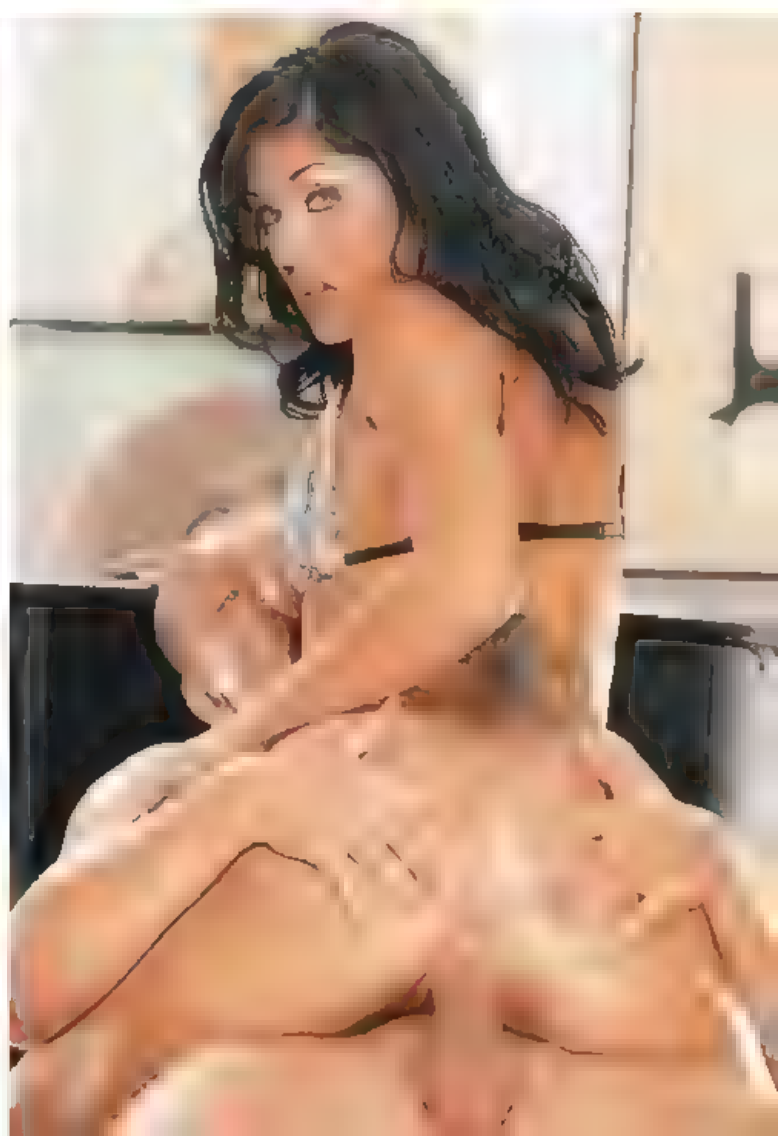

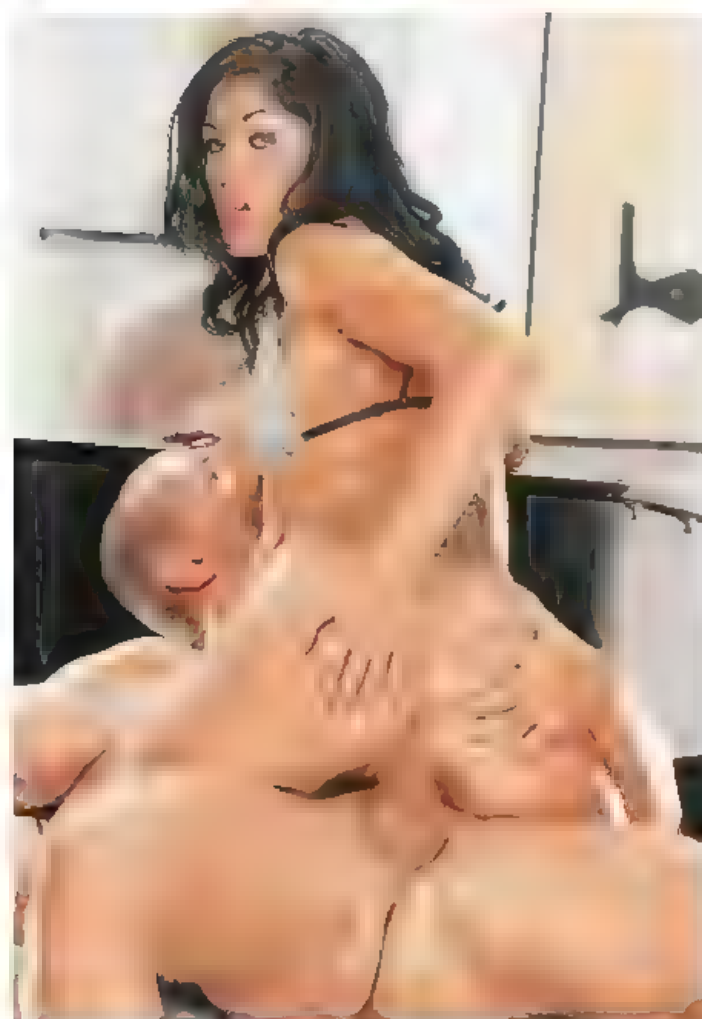

Just Because She's A
Sophisticated Beauty
Doesn't Mean She
Won't Suck 'N Fuck
Like A Lowdown Slut!

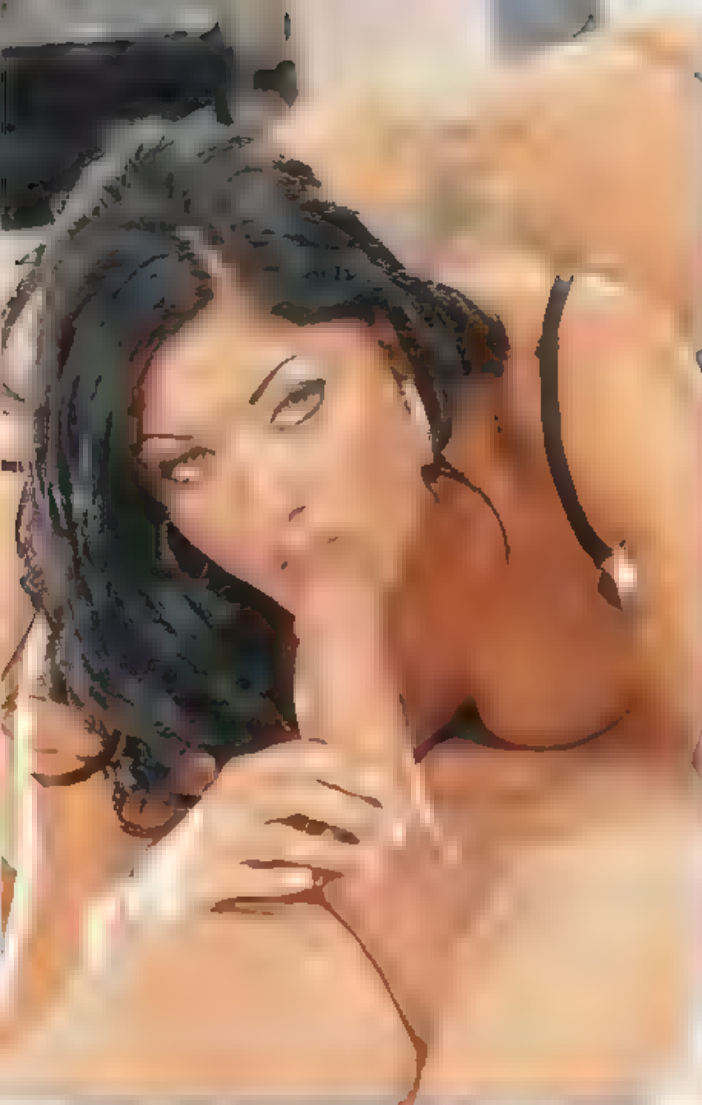

We won't tell you what lucky Jerry does for a living. All you need to know is that he's got more money than he knows what to do with. Well, that isn't quite true. Jerry knows *exactly* what to do with his wealth. He gets beautiful classy women to come home with him, and when they see how loaded he is, they can't do enough to make themselves totally accessible to him. From the moment they turn up the long driveway and see his five-million-dollar estate, they know that the Porsche they're riding in isn't rented. Once inside the mansion they're ready to do anything to please lucky Jerry. Anything.

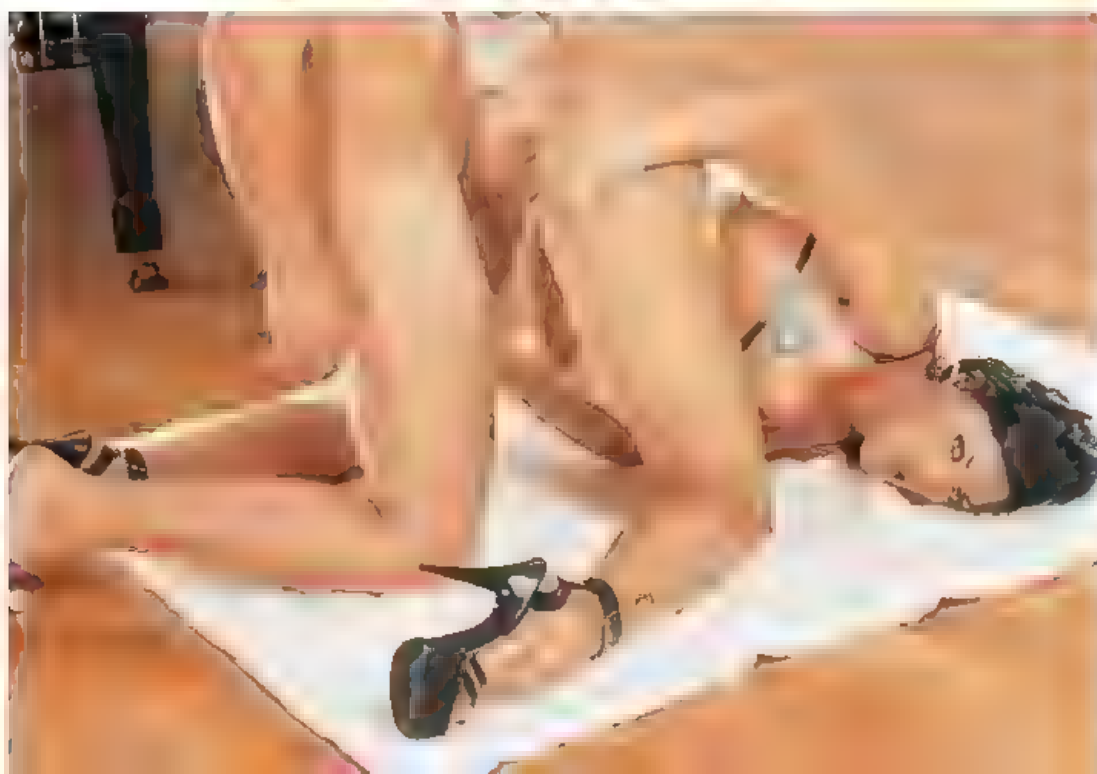

Jerry's always amazed at how classy chicks turn into everyday whores as soon as they see how wealthy he is. It wasn't always this way. Time was, Jerry didn't have much of anything, and a babe like Dillan wouldn't have looked twice at him. But then again, in those bad old days, he would never have been in the type of places where someone like Dillan hangs out. She would never have gone home with him.

It's amazing how the
trappings of wealth
make hard-to-get
women so easy to
get. Beautiful! Dillan
will do anything to
please Jerry and
make him like her.
She's willing to cater
to all his desires.
She'll suck his cock
till her jaw is sore.
She'll fuck him till she
can't fuck anymore.
She'll spread her ass
cheeks. She'll let him
come on her face or
in her mouth. It must
be great to be rich!

MY MANY LIVES ON CRAIGSLIST.ORG

came to Craigslist innocently enough. As a freelance writer, I often prospect for jobs online and a friend suggested that I check out Craigslist's jobs section. So I logged on, expecting to find a site like morse.com.

What I found was something closer to the internet version of a glory hole at a rest stop on the New Jersey Turnpike.

Craigslist sells itself as an "online community where folks help each other out with everyday stuff." And while the site does have a jobs section, as well as a for-sale section and a discussion forum, the star attraction is the personals, where the darkest desires of a twisted libido can be anonymously pursued and fulfilled.

These aren't your mama's personals ads. Anything goes, whether you're into pee fun, looking for a jerk off buddy, or trying to organize a mad get together. Whatever turns you on and gets you off, you're likely to find someone on Craigslist who's getting off on it, too.

Or maybe not. Because Craigslist is also a practical joker's dream. Anyone can post an ad. So that cute little coed with perky tits may actually be a 34-year-old dude with hairy legs and a beard. In other words, she may be me.

I've posed more than a hundred bogus personals on Craigslist. I started as a simple prank, just wanted to mess with a few of the social lepers cruising the cybergeek singles scene. But soon found myself creating ads from a whole cast of characters.

In a single afternoon, I could be a bickering PAC 10 basketball player, a laid-back party girl hoping to get garqbarqed, and an interracial couple exploring the swing lifestyle.

Over the course of three months, I collected enough responses to fill a dozen Hotmail accounts. And they eeded some pretty interesting insights, starting with:

Fact #1: Most Guys Will Fuck Anything

Okay, this isn't exactly a headline grabber. We've all heard the joke about fat girls and mopey boys being fun to ride until your friends find out, and I thought it's funny because it's true. After all, the penis wants what the penis wants, which, in most cases, is whatever the penis can get.

To find out exactly how idiosyncratic some men are about where they stick their dicks, I submitted a succession of ads featuring increasingly repulsive roles of easy sex. Following are the titles of the ads, along with a brief overview of each and the number of replies it generated.

Girls who fart a lot need love, too:

Coed can't find a date because her "bowels belch fiery fury" and a "cloud of toxic ass fumes" follows her everywhere

Replies 54

To grandmother's house we go:

53-year-old "silver fox" will remove dentures to service "pool boy" types

Replies 61

Love me, love my nubbins

Double amputee seeks "a man to rub my nubbins"

Replies 68

And these guys weren't joking. One responder sent skunk girl a picture of himself giving two thumbs up while wearing a swimmer's nose plug.

Simply couldn't decide on adding something enough to appease a man everywhere. Which should be good news for the women of America, no matter how foul your stench or how heinous your deformity, someone, somewhere, will have sex with you.

The question was, would said women be so willing to drop their britches and reciprocate? The subject equaled lives go on. Which brings us to

Fact #2: Women Will Fuck Anything Too For a Price

had an inkling that women, even ones desperate enough to hook up with strange men, they met online, would be a bit more choosy in the selection process than men. I knew I had to raise the bar a notch or two. Here's what came up with

Boy was naive Seven ads later was shooting blanks began to speculate that maybe women don't use the internet for blind sex dates

Then, remember the old Jesuys Ch a song in which Beyoncé asks "Can ya pay my bills?" And, hi me. Women don't lust for things and under wear socks. They us for Jimmy Choo shoes and Fendi bags.

quickly dashed off a series of ads that would test my theory. Here are the results.

On the positive side, the relatively paucity response — a grand total of 19 raised hands — shows that not all women are money-grubbing whores. But it also proves that plenty of them are. After all, my cadaverous 73 year-old got four more replies than my underwear model.

So buck up, guys. There's hope. Just keep squirreling away your money, and you, too, will one day be able to bag a slut online.

But wait, if women aren't having sex with all those horny working stiffs on Craigslist, who's?

Good question. The answer lies in

Fact #3: You're Only As Gay As The Guy You're Having Sex With

Just because a guy isn't likely to find a woman on Craigslist who's willing to fuck him for free doesn't mean he can't get a piece of ass. It just might be a little funnier than he'd hoped.

Craigslist is littered with ads from straight guys seeking other straight guys for sex. Seriously. They have titles like "Str8 but craving cock" and "MWM looking for p/o buddy."

But this doesn't make them gay. No, no. They are straight as arrows — just ask their wives and girlfriends. Sure, they like to hook up with guys once in a while. But they only hook up with other straight guys. Which somehow makes it a completely heterosexual thing. After all, it's two straight guys having sex, so it must be straight sex, right?

To prove how straight they are, they use a lot of butch language, e.g.

Just want to chill with another dude, watch some straight porn and jerk it, maybe exchange bjs. Absolutely no femmes or fags.

Hey, it's not much different than getting together with the guys to watch football on a Sunday afternoon, right? Except that all the fellas have their dicks out. And you might end up with one in your mouth.

In other words, Craigslist is kind of like a giant electronic closet where mildly gay men mingle and indulge the otherwise repressed aspects of their confused sexuality. Which makes it easier to understand.

Fact #4: If A Chick Asks For A Picture Of Your Package, She's Really A Guy

Many of the ads in the Craigslist's "casual encounters" section are supposedly posted by women seeking men. This struck me as odd, since my prior research had established that women aren't giving it up for free.

A closer look at some of these ads revealed telltale signs of fraud. Gross misspellings. Random capitalization. Poor grammar. An inability to distinguish "you" from "you're." All earmarks of masculine writing.

What's more, many of the scenarios seemed as if they'd been

downloaded specifically to appeal to classic male fantasies. A young ingenue yearning to hone her sexual skills with the help of an experienced older man. A woman seeking revenge on her cheating husband. A bored housewife desperate to rekindle the spark of desire. I'd used every one of them myself.

Suddenly, I was so obvious. These ads were being posted by men. But what could they hope to gain by posing as women?

To find out, I replied to several ads. Interestingly, every "woman" who wrote back to me asked for pictures. Of my genitals.

This smelled fishier than a Tijuana whorehouse on Cinco de Mayo, so I sent back e-mails asking these "women" if they were actually men. Surprisingly, they admitted they were. Every one of them. Many bragged to me about having conned hundreds of straight men into sending pictures of themselves naked.

For what purpose? Shits and giggles, mostly. And oh yeah, to jerk off to.

Now, tricking other men for the sake of journalistic enterprise is one thing. But tricking them in order to collect pictures of their dicks for spunk fodder is entirely outside the bounds of manly decency.

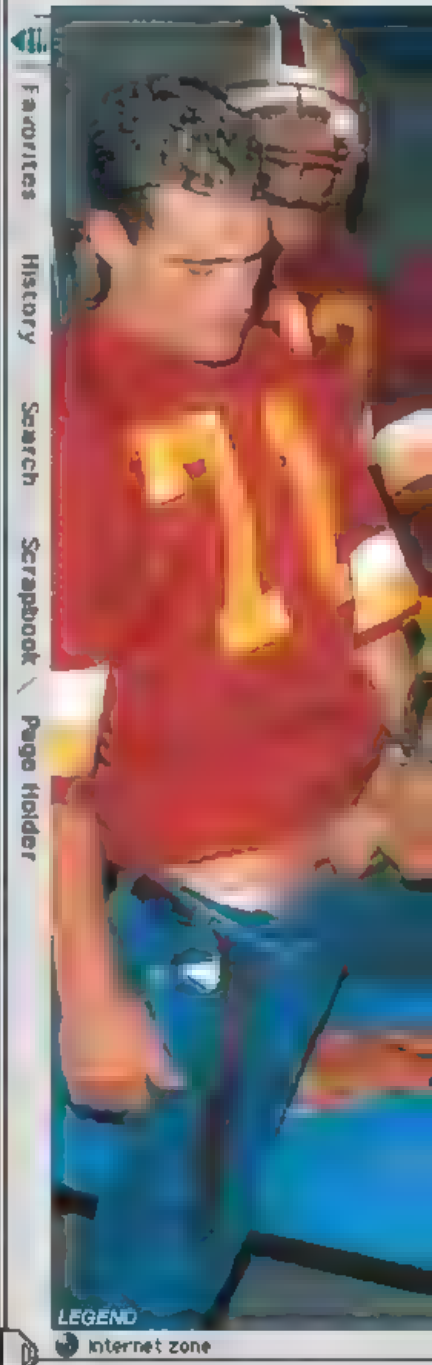

I decided it was time to expose myself and all the other Craigslist frauds. I wanted these suckers to see how easily we had tricked them, in the hope that they would learn to be more skeptical in the future.

Unfortunately, my efforts didn't quite stir outrage, as I'd hoped. But they did help unearth

Fact #5: In The Battle Of Dick vs. Brain, Dick Wins Every Time

For an entire afternoon, I posted ads warning Craigslisters about the scumbags prowling their favorite Web site, starting with an ad titled "There are no women on CL." Then, to test the effectiveness of my campaign, I posted an ad that said:

Don't believe that guy who says there are no women on CL. I'm a woman, I'm hot and I hook up with guys. Meet on CL at the time. In fact, I'm going to prove him wrong by slutting it up for a CL guy tonight. Now, the only question is

who wants to be the lucky one?

I stopped counting after the first hundred replies. I was dumbfounded. I mean, these guys were talking for the very same reason. I'd warned them about it. I was going to have to get mean with these poor bastards. So I posted another ad that said:

You know that hot girl who was going to screw up for a lucky guy? She doesn't exist. I made her up. And you're for. Again.

Face it, my brothers, women aren't looking for casual sex on Craigslist. They aren't. So please do yourselves a favor and stop wasting your time trying to get laid by a fantasy.

Silly, the message would sink in his mind, right?

Not exactly. In fact, I got a few replies from men who claimed the woman from my previous ad was a porno character of my own creation. They had contacted them and made arrangements to meet for sex. Apparently, they just weren't willing to buy the truth because I meant having to forfeit the

fantasy of meeting a living, breathing whore online.

Game se and match went to dick once again.

And maybe that's not so bad. After all, when it comes to sex, reality seldom measures up to a fantasy. In that respect, Craigslist serves a valuable function. It gives hope to the hopeless. It keeps the creeps at the screens and in front of their computers, where they belong.

Satisfied, I had earned a reward from Craigslist. I posted one final ad.

Make anyone sweat in this desperate

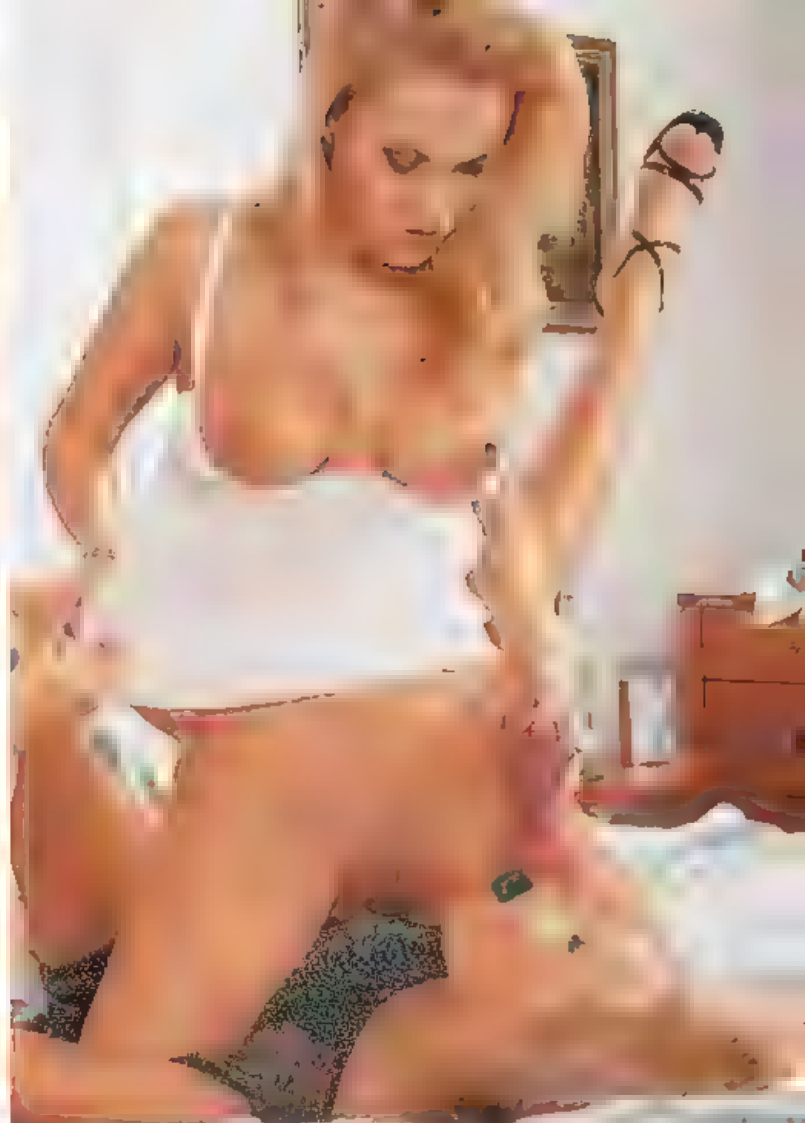

Jesus, I just want a fuck. I don't care if you're female or male. Dog hairy, ugly as hell, and so fat you sweat syrup. He just wants to stick his dick in something living. Could be dead actually. That would be fine too. Any corpses out there looking for a hard day?

In case you're wondering, I received seventeen replies. Three of the responders got the joke. The other fourteen wanted to know when we could meet.

CARNAL CAMERA

Jake is a good pal of our roving photographer. Jake's one of those guys—you've met a few in your lifetime—who can walk into a room and pick up the prettiest girl within five minutes. So you can imagine how great he is when he goes on various dating and meeting websites, like MyPlace.com, and starts talking to girls. The glib, silver-tongued fucker is just as smooth when he's talking with his fingers. So after he totally captivates a girl named Carla who lives a few miles across town, he sets up a meeting at her place. And when he says, "You won't mind if I bring along a professional magazine photographer, right?"—notice that Jake didn't ask, he strongly suggested—she tentatively writes back, "Sure, why not? I guess it's okay. Yeah, sounds fun!"

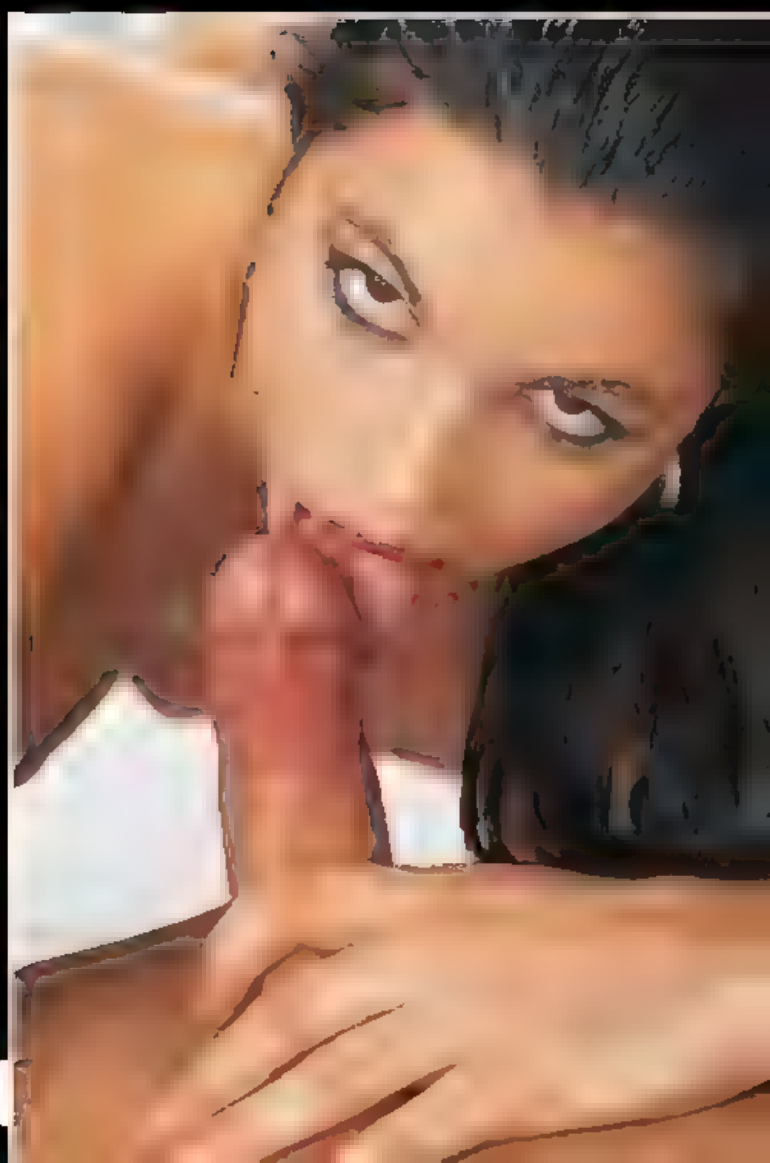

Our computer-dating buddy asks our roving photographer to tag along when he meets his latest e-mail conquest. Luckily, she loves being photographed!

Don't let Carla's good looks fool you. She's a computer nerd who just happened to turn into a swan when she grew up. But in her mind she still thinks of herself as the unattractive computer whiz and game player. And when a handsome smoothie like Jake starts laying a line on her, she's ready for anything, and doesn't care if our roving photographer tags along.

She's so isolated within her world of computer games and dating websites that she welcomes a chance to break out, even with our photographer there!

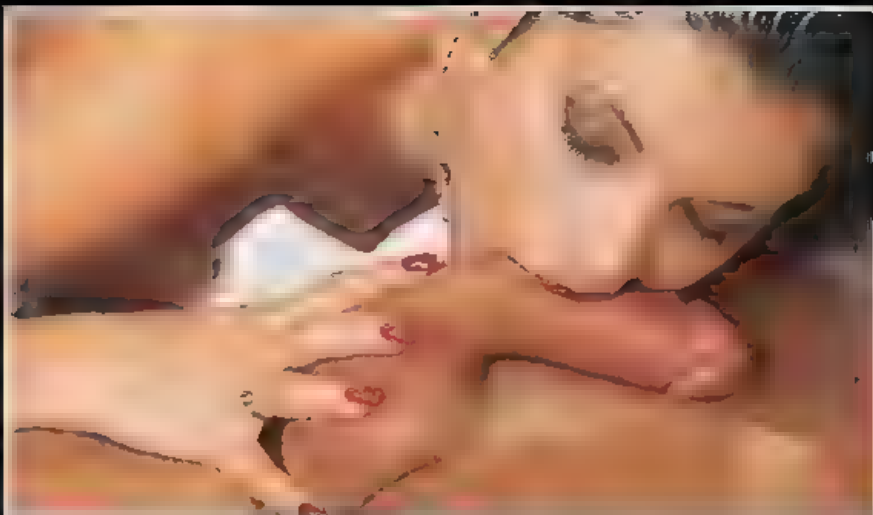

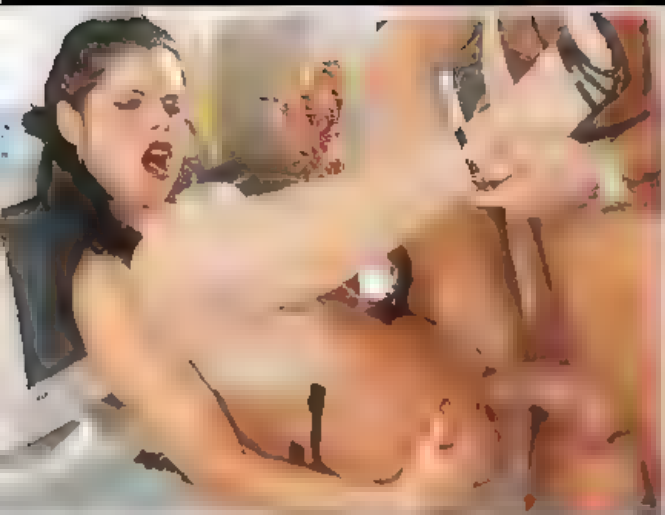

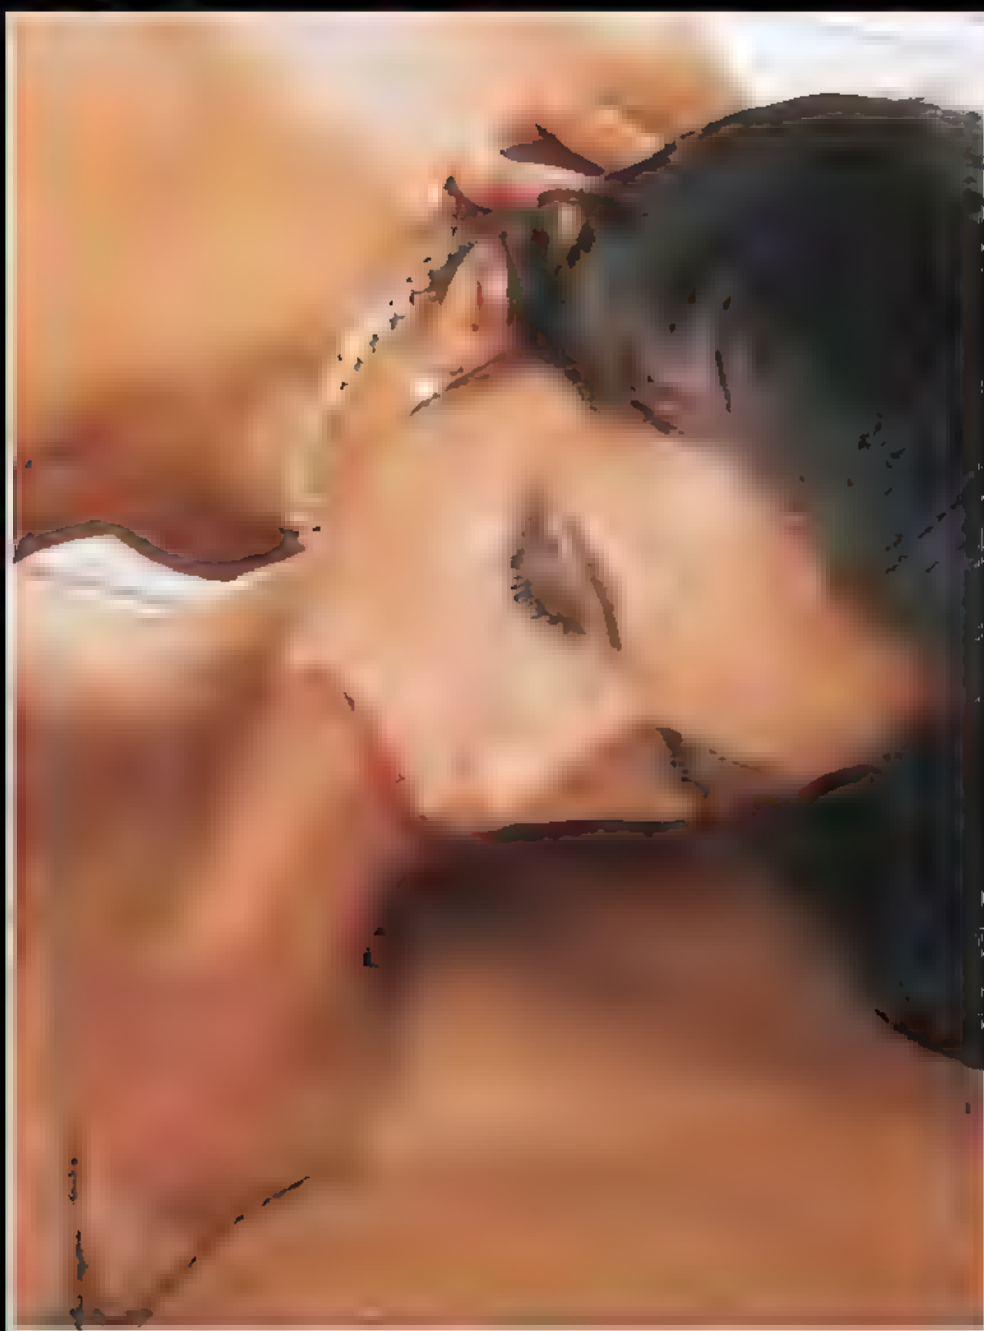

Carla definitely spiffed herself up before Jake & our roving photographer showed up, but despite her natural beauty there's still something kind of nerdy about her. The way she blinks because of her contact lenses. Maybe she just feels a little awkward in her stockings, which she rarely gets a chance to wear. And it's clear that she's been spending too much time alone in her apartment on the computer. Jake tells her right off the bat that a young woman as beautiful as she is should be out having adventures in the flesh, not cruising MySpace.com or MyDate.com, or playing games with people on the other side of the world. Carla falls completely under Jake's spell. If experienced women can't resist him, what chance does this stay-at-home cutie have. Sure enough, it doesn't take Jake more than ten minutes to have his cock in her mouth, along with her permission to let our photographer shoot a few pix. Who knows, she may want to post a few on her MySpace.com page.

Our photographer said that after Jake warmed her up, Carla agreed to suck his cock, too. Sorry, he forgot to snap any P.O.V. shots while she blew him!
